Cherry Blossom Table Runner

Making the Sashiko Blocks Tip.

Center and fuse each marked interfacing piece to the wrong side of 10" Fabric A squares. Refer to Sashiko Stitching Tip on page 22 to stitch design on marked lines. Note: You are stitching from the back; smaller stitching needs to appear on backside and longer stitches on the front.

Yama (Mountain) Quilt

Note: Do not cut square on the bias, this quilt uses the Simple Triangle technique describes on page 56 General Instructions. Please read prior to cutting fabric.

Along the River's Edge Quilt

Susan Ball Faeder designed and constructed this quilt. Dorothy Gerring machine quilted the completed top.
