

# Designing With Fabric... Seeing Beyond the Obvious

Saturday, September 25, 2010 • 10am-2pm

Please join us for this very special event. Soon, Kona Bay Fabrics will celebrate 20 years in the quilting business. In honor of this milestone, we've created a series of events to celebrate the wonderful world of fabric.

At our first event, you'll meet **Doug Eagleson**, President of **Kona Bay Fabrics**. See the warehouse up close and find out how artwork transforms into the fabric you love.

Plus, learn how to make the most of your fabrics with celebrated Quilt Designer **Georgie Gerl**. Georgie is the Quilt Designer and Editor for *Asian Fabric Magazine* in addition to being a popular teacher and lecturer. Bring your quilting questions and notebooks.

Prepare to be entertained and inspired. Don't miss this one-of-a-kind event—*seating is limited!*
